## 1. Aims

We aim to:

- Make every reasonable attempt to ensure the school's premises and facilities can be used, where appropriate, to support the local community as well as partnering with outside organisations
- Allow the hiring of the premises and facilities without using the school's delegated budget (which is provided for the education of its pupils) to subsidise this
- Charge for the use of the premises and facilities to cover the costs of hire to reimburse the schools budget and, where appropriate, raise additional funds for the school
- Restrict any hiring out of the premises and facilities which may interfere with the school's primary purpose of providing education to its pupils
- Prohibit any hiring out of premises or facilities which may bring the academy or Trust into disrepute, hold different views to our own or fail to comply with our norms

## 2. Areas available for hire

### 2.1 Available areas

The facilities that are available for hire / lettings vary significantly by academy. Full details are available via the Schoolhire bookings platform. Facilities may include:

- Sports hall
- Sports pitches, courts and playing fields (grass, 4G, MUGA etc)
- Swimming pools
- School Halls
- Theatre
- Classrooms
- Dining areas
- Assembly areas

### 2.2 Capacity and rates

The capacity and rates for hiring each vary and prices are listed on the School hire booking platform. Schoolhire are the Trusts bookings partner for the hiring of all of its Academies facilities.

<https://schoolhire.co.uk/>

## 3. Charging rates and principles

### 3.1 Rates

Hire rates are set by the Trust on behalf of its' schools. The charges are periodically reviewed in consultation with the Trust COO and Head of Finance. A charge may be levied to cover cost of services (heating and lighting), cost of staffing (additional security, caretaking and cleaning), cost of administration, cost of "wear and tear", cost of use of school equipment (if applicable) and a profit element (if appropriate). Academies may decide that certain organisations or activities can use the premises for a reduced rate, or free of charge, if it supports the core aims of the academy and the local community.

Lettings taken out side of the Academy's core operating hours will be charged at time and a half to cover the additional staff costs.

Hire charges are available on <https://schoolhire.co.uk/>.

### 3.2 Cancellations

We reserve the right to cancel any agreed letting in line with the conditions set out in terms and conditions on the Schoolhire website <https://schoolhire.co.uk/>. This includes the refund policy and conditions around indirect or consequential losses, including any loss of profits, loss of business or the loss of any revenue arising out of the cancellation of any hire.

The hirer of the premises can cancel any hire in line with the cancellation policy as stated above.

#### **4. Application process**

Those wishing to hire the premises must do so via the Schoolhire booking platform as appropriate for each academy <https://schoolhire.co.uk/>. The platform provides a facility enquiry, request, messaging and payment facility for all lettings and transactions.

All bookings and payments must be made via the Schoolhire bookings platform. Depending on the lettings further documents may be requested by the Academy.

The request / enquiry will be contacted by the Academy via the bookings platform and if approved they will be provided with details of how to submit payment, request any additional information / documents and make arrangements for the date and time in question.

Depending on the value and / or the size of the letting a non-refundable deposit may be requested to secure the booking and / or to cover the cost of any damage.

The hirer will be provided with the details of the emergency evacuation procedures and other relevant health and safety documents.

All hirers, whether groups or individuals, are responsible for arranging their own public liability insurance and to ensure the insurance covers all their legal liabilities for accidents resulting in injury to persons (including all participants in the activity for which premises are being hired). This cover must also extend to include loss or damage to the premises of the academy site arising out of the letting. Evidence of the appropriate cover will be required by the academy in advance of any hire and will be subject to annual review.

The academy and Trust reserve the right to decline any applications at our absolute discretion, in particular where the organisation does not uphold the values of the academy, or reputational damage may occur.

The hirer is responsible for any license that may be required for their booking and a copy must be provided to the academy a minimum of 2 weeks prior to the event.

#### **5. Safeguarding and the Prevent Duty**

The Trust is dedicated to ensuring the safeguarding of its students at all times.

It is the responsibility of the hirers to ensure that safeguarding measures are in place while hiring out the space.

If there is a possibility that those hiring the premises will come into contact with students, for example if the hire occurs during school hours, or when pupils may be present in the academy (during after school clubs or extra-curricular activities), we will ask for confirmation that the hirers have had the appropriate level of DBS check.

Where an individual or group is found to be promoting views in contravention of the school's Prevent duty, the person or group is guilty of an offence, under the Education Act 1996, and liable on summary conviction to a fine. In addition, the school will contact the Police who will remove the person or group from Trust premises.

Specific safeguarding questions are asked in the booking process and form part of the terms and conditions that hirers agree to abide by on acceptance and confirmation of their booking – refer to section 6 for details.

## 6. Terms and conditions of hire

### Terms and Conditions

All terms and conditions of hire apply to all non-school use of Aldridge Education premises. All potential hirers must agree and adhere to these terms and conditions before a booking will be accepted.

### Definitions

“Estates Officers” means an authorised member of the school’s staff, normally, the Estates officer or, for operational matters during the letting, the supervising staff on site at the premises.

“Hirer” means the person(s) making the booking and in addition any organisation for whom the Hirer has stated in such form to be acting. The liability under the hiring agreement of the Hirer and such organisation shall be joint and several.

### Making a booking

A booking request will remain provisional until we accept the booking request. If the booking request date is more than six months ahead of the actual hire date, we may hold the request on a provisional basis until the school timetable is fixed. We may also need to pass on any increases in hire rates that become payable in the intervening period. Where this is the case The Hirer will have the option to cancel the Hirer’s booking and no charge will be levied for the cancellation. The Hirer must disclose in full the nature and purpose and use of the school premises at the time of the Hirer’s booking. Use of the premises is limited to those activities specified in the Hirer’s booking request and subsequently accepted and agreed by us. The hire of any space or facility at our premises is entirely at our discretion. We reserve the right to decline a booking request for any reason.

### Hire Charges
